HOW IT'S MADE

Made from the oldest monastery vineyard in the "Marckinborn" with a certificate from 1390 to prove the early possession. During 1726 the site was a synonym for the finest Rheingau wines. The name originates from the classicistic fountain, which is located on the boundary between Hattenheim and Eberbach. The location is southwards and shows a steepness from 0% to 25%. The clayey soil is deep and calcareous.

The wine has to pass three steps to be considered "GG"

- Has to be out of a classified vineyard ("Grand Cru")

- There has to be a very strict vineyard management (yield max 50hl/ha)

- The last step is a special sensory wine tasting of an expert group. Only if this group confirms that the wine fulfill the quality standard of "GG", is the estate allowed to use this specific label.

TASTING NOTES

This wine shows complex fruit aromas of apple, mango, pear, passion fruits, and light oak notes. Silky and inviting with hints of star fruit, white blossom and candied lemon taking you on to fine, bright acidity and juicy citrus.
