Nékora means the velvet crab.

EDS901	Rueda	Rueda, Spain
White	13%	Cork
100% Verdejo		

HOW IT'S MADE

100% Verdejo with a modern cut. Fermented in stainless steel tanks, worked with its own lees and continuous fieldwork in the selection of the best that our grapes can obtain, an unsurpassed wine!

TASTING NOTES

This is a clean, bright and transparent with a yellow-green color and steely irises. It is intense with a green apple and tropical fruit scent. Shades of fennel and slightly aniseed. Has great citrus touches. It is tasty, fresh and balanced, with great volume and exquisite acidity as well. Nice attack with a soft and persistent finish. Greatly balanced alcohol acidity too.

FOOD MATCH

This Verdejo varietal is excellent with a nice salad dressed in vinaigrette, make sure to add tomatoes and olives. Fish and shellfish are also natural partners.
