## Arts de Luna Brut, NV (Organic)

Juan José Muñoz

*Arts de Luna Organic Brut is made exclusively from the grape varieties Macabeo and Chardonnay grown on organic vines in the area of "Medio Día, where the sparse land is exposed to many hours of sunlight to produce low yields per plant with very high quality.*

### HOW IT'S MADE

A selection is made of the Macabeo and Chardonnay grapes, grown in accordance with the rules of Organic Farming. This form of organic viticulture and wine-making is based on the development of the environment along with consumer friendly technologies for organic wine quality improvement and scientifically based legislative framework (using only natural resources, without any chemicals, in this way producing organic fruit while at the same time conserving the fertility of the land and respecting the environment). The grapes are picked at the beginning of September. Cold maceration in a pneumatic press. Fermentation at 57°F (14°C) in stainless steel tanks. In January we add the "liqueur de tirage", to provoke a second fermentation in bottle. The Cava is stored in "rima", or horizontally, for a minimum of eleven months.

### TASTING NOTES

Well integrated bubbles with a pale yellow coloring with a hint of gold. Clean aromas of citrus and white fruits (apples and pears), dry fruits (hazelnuts and walnuts) together with aromas of baked cakes. This wine is lively, fresh and easy to drink with a subtle touch of citrus fruits, floral (orange blossom) flavors, creamy with a long, lingering finish.
