## Henness Brut, NV

Elegant and beautifully crafted rose from this highly regarded English sparkling wine producer

EHN102	England	East Sussex, England
--------	---------	----------------------

Sparkling	12%	Cork
-----------	-----	------

35% Pinot Noir, 65% Pinot Meunier

### HOW IT'S MADE

Henness Rosé is produced solely from grapes grown on our outstanding estate in Herstmonceux, East Sussex. We found the unique combination of warm well drained sandstone soils, a southerly aspect slope coupled with low altitude, three miles from the sea and at just 24m above sea level. Harvest usually takes place in late September. The result is perhaps the finest vineyard micro-climate in the country. We take a non-interventionist approach in the winery, made possible by the quality of the fruit. Vine clones and varieties are fermented separately to allow a broad palette of wines for final blending. This wine will have spent a minimum of 18 months on lees at time of release, and a minimum of 5 months in cellar post-disgorgement to create a deliberately vibrant and fresh sparkling Rosé. Dosage of 7.5g/l.

### TASTING NOTES

Henness Rosé NV is made from Pinot Noir and Pinot Meunier, using the saignée method to draw color from the grapes at the pressing stage. This sparkling rosé delivers classic English red berry fruit flavors including raspberries, redcurrants and rhubarb. A minimum of 18 month aging on the lees brings a delicate creaminess to the wine.

### FOOD MATCH

Perfect for every occasion - treat yourself.

### AWARDS

Non Vintage  
Decanter World Wine Awards 2017 GOLD

### ALLERGINES

Contains sulfites and no other allergens

Case / Bottle Size	6 x 750 mL
