Pablo y Walter Malbec Can, 2020 (187ml)

Guillaume Létang

A celebration of Mendoza - the color, culture, flavor all in a can! It's the love of Argentinean winemaker Walter Bressia and Boutinot winemaker Guillaume Létang.

100% Malbec		

HOW IT'S MADE

Produced from 25 year old vines in the Lujan de Cuyo district of Mendoza, close to Walter's bodega in the rain-shadow of the Cordon del Plata. The unwooded Malbec is blended with Walter's own Montegrelo Malbec, which is the wooded component. Walter bought two new 25,000L steel tanks specifically for this project and subsequently somehow crow-barred them into his bodega.

TASTING NOTES

A really pure expression of Malbec, bright red and wonderfully aromatic with lifted red currant, cassis. Muy, muy fantástico - richly, bloody, vibrant, Latin and velveteen.

FOOD MATCH

A big, juicy steak, churrasco de chorizo marinated with garlic, parsley and olive-oil, grilled vegetables with chimichurri sauce. Or try it chilled - seriously, a cool version of the wine opens up a whole new world!
