HOW IT'S MADE

Produced from grapes grown in the famous hilly region of Asti, north-east of Alba. The grapes are harvested in late September and cool-fermented in stainless steel tanks. Fermentation is stopped carefully by chilling, leaving luscious, natural sweetness in the wine

TASTING NOTE

Classic Asti aromas of grapes, peach, and honeysuckle. The sweetness is balanced by a delicate mousse and attractive floral flavors.

FOOD MATCH

Perfect as an aperitif or welcome drink at a party. Alternatively, the wine can be served after dinner with mints and nuts.
