Smalltown Vineyards Wishbone Shiraz Cabernet, South Australia 2018

The wishbone is broken between two people whilst each make a silent wish - the one who gets the bigger half also gets their wish (supposedly!). We liked the bony-ness of the name, the structure beneath that holds the wine altogether.

AMP006	Smalltown Vineyards	South Australia, Australia
Red	14%	Screwcap
75% Shiraz, 15% Grenache, 7% Petite Syrah		

HOW IT'S MADE

Bottled after 10 months in oak. Fruits comes from vineyards around the Barossa. The wine is partly tank fermented and partly aged in oak, with a small new oak component. The blend (75% Shiraz 15% Grenache 7% Petite Sirah 3% Carignan) is put together to be a juicy drinkable red that has some depth and complexity often missing at this price point.

TASTING NOTES

This is a bright, bloody Shiraz from old river land vines blended with Barossa Cabernet that gives the nose a graphite, leafy lift. A South Australian classic the palate reflects the rich iron source soils with notes of ripe, fresh red cherries with a touch of star anise from the local eucalypt influence.

FOOD MATCH

Great with roast beef or lamb, as well as grilled meats and BBQs
